### Vumii Adds Key Reseller in Japan and Southeast Asia

Bio Sensing Technologies Inc. (BST) to promote Vumii with commercial and government clients  
ALPHARETTA, GA, May 24, 2006 -- Vumii and BST Inc. have executed a reseller agreement enabling BST to distribute and sell the comprehensive suite of Vumii products to its customers in Japan and Southeast Asia. BST Inc. expects to immediately promote perimeter and border protection solutions featuring Vumii products to its commercial and government clients. Bio Sensing Technologies Inc. (BST) is a distributor/reseller of leading-edge technologies specifically focused on marketing advanced security-related products in the Japanese and Southeast Asian marketplaces. BST leverages over 30 years of experience and expertise with its sales partner Info-Tech Inc. (Tokyo) as a value added reseller representing multiple security and defense related products.

### About Vumii

Vumii is a leading provider of sophisticated surveillance technologies that are revolutionary in practicality as well as performance. Vumii leverages expertise in electro-optics and image processing to develop advanced, affordable visualization and image interpretation tools that easily integrate with existing security systems. Vumii technologies greatly enhance prevention and response to critical physical security concerns, particularly for outdoor perimeter security in the transportation, critical infrastructure and government sectors. Current products include Discoverii, the first affordable long-range day/night vision camera system, and Sensorii, breakthrough situational awareness and image navigation software that dramatically improves orientation and usability for pan-tilt-zoom cameras.
